Golden Dipt Makes Tempura Batter Better

Taste the difference of Golden Dipt Tempura Batters and perfect the art of tempura, batter dipped dishes! Create a fried food that is **light** and **fresh tasting**, rather than heavy and greasy.

Golden Dipt ORIGINAL TEMPURA BATTER

- **Light fry color** provides appealing, traditional tempura appearance.
- **Exceptional holding tolerance** allows food to be **fried in advance** and held under heat lamps until served. Ideal for **foods with a long fry time**, such as chicken and larger portions of fish.
- Contains rice flour for **added crispness** and **delicate texture**.
- Superior batter yield **increases your profits**.
- Unique formula **seals in moisture** and **prevents oil absorption**.

Golden Dipt IMPERIAL TEMPURA BATTER

- **Golden brown fry color**.
- Excellent **flexibility**. Can be used as a **tempura fry batter** or a **pre-dip** to moisten food when coating with Golden Dipt Panko Japanese Bread Crumbs (G8050).
- Blend of wheat and corn flours provides an **expanded coating** with a larger plate presentation.

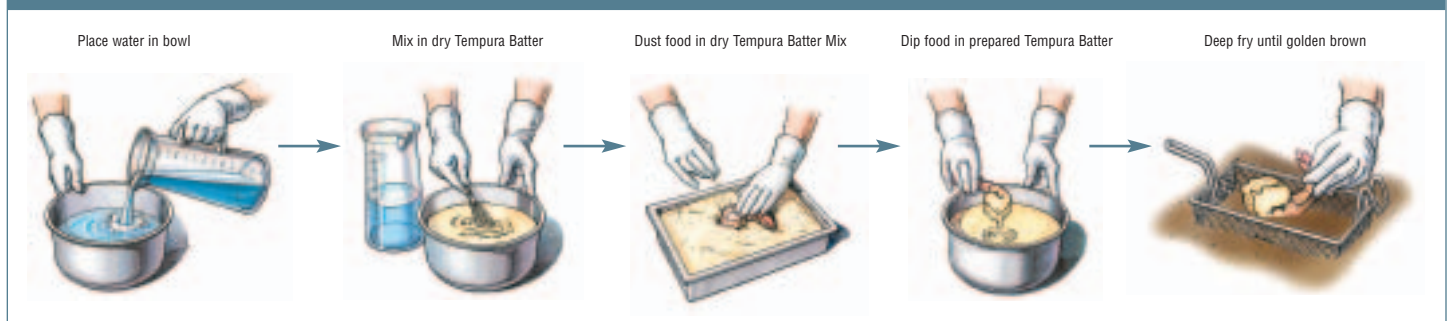

Tuna & Scallion Tempura

Thin sliced tuna and scallions quick fried in Golden Dipt Tempura Batter. Served with a soy garlic glaze and jasmine rice noodles.
